Bib Pick Up and Registration

All participants must pick up their bibs at the Expo prior to race day. Bibs will not be available for pickup on race morning, so please plan accordingly.

IMPORTANT:

There are no pre-assigned bib numbers — simply head to the packet pick-up area for your race distance.

We do not mail out bibs; you must attend the expo or have someone pick up for you.

What you need to bring:

Have your Race Roster confirmation (with QR code) ready on your phone or printed. Can't find it? Log into your Race Roster dashboard and click your "Confirmation number" link. See below.

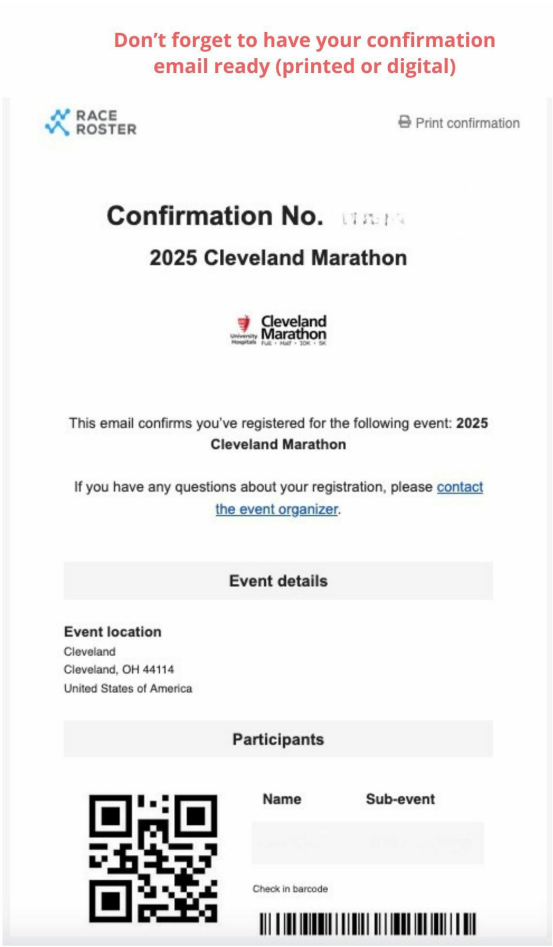

Picking up for someone else is permitted. Please bring a copy of their confirmation too (digital copy or print out is fine).

Registration Questions:

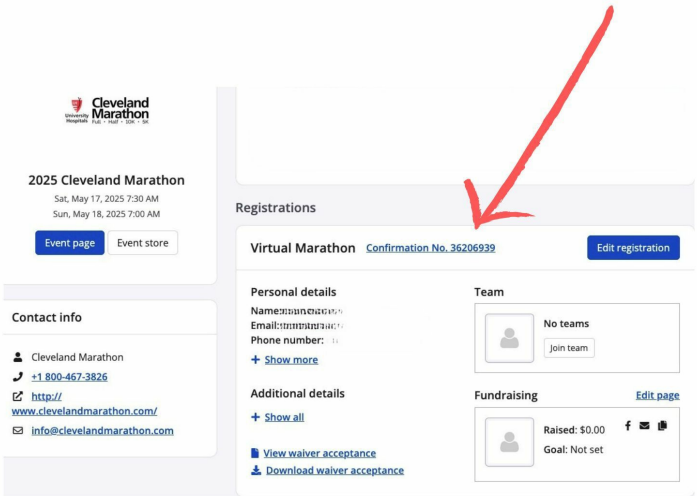

Most registration changes can be made through Race Roster prior to the Expo. If you need help changing your race distance or updating other information, visit the Solutions Desk when you arrive at the Expo.

NOTE: The Full Marathon is sold out. Spots may open up as people change distances or drop out so check the registration page often.

You may also visit our [FAQs](#) for more registration information.

Can't find your confirmation email?
